

MEGAZORD

SAFETY REMINDER

Only a grown-up should cut out the Megazord parts and use the cutting knife.

MATERIALS

- 8 1/2" X 11" cardstock
- Scissors
- Ruler
- Cutting knife
- Glue

DIRECTIONS

1. Print the following pages on cardstock.
2. Have a grown-up cut out the parts.
3. Using a ruler, score on the dashed lines to ensure lines are straight.
4. Glue the backside of Tab A to the backside of Tab B of the Head and glue both sides of the Head so that the front and back sides are glued together.
5. Glue Tab A to the underside of 1, connecting the Head to the Body of the Megazord.
6. Insert Tabs C of the Shoulder through the slits on section 3. Glue Tabs C to the underside of section 3 so that the Shoulders are standing up.
7. Glue the Arms together so that each Arm has a front and back side but make sure the backsides of Tabs D are not glued to each other, and that the backsides of Tabs E are not glued to each other as well.
8. Attach the Right Arm to the Body of the Megazord by sliding Tabs D through the right-side Body slit. After it's through, glue Tabs D of the Right Arm to the underside of the right-side Body slit.
9. Attach the Left Arm to the Body of the Megazord by sliding Tabs E through the left-side Body slit. After it's through, glue Tabs E of the Left Arm to the underside of the left-side Body slit.
10. With both Arms attached, enclose the Body by gluing Tab F to Tab B of the Head. Glue Tab G to the underside of section 7.
11. Complete the Right Leg by gluing Tab H to the underside of 8, Tab I to the underside of 9, J to 10, and K to 11.
12. Complete the Left Leg by gluing Tab L to the underside of 12, Tab M to the underside of 13, N to 14, and O to 15.

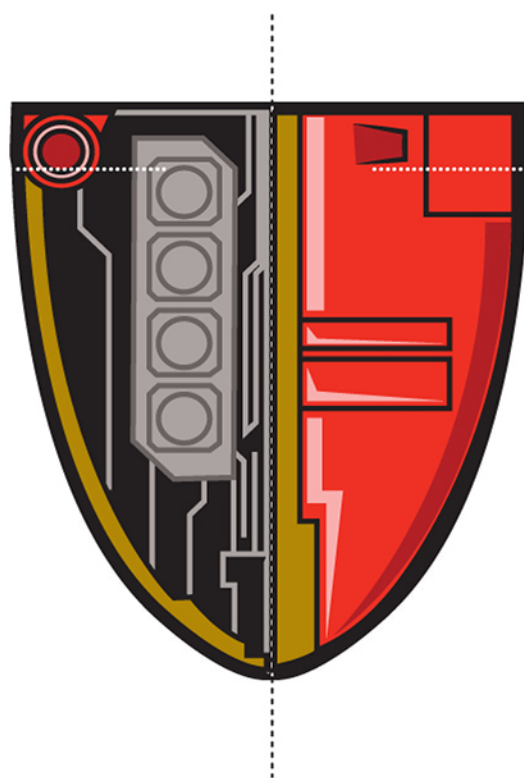

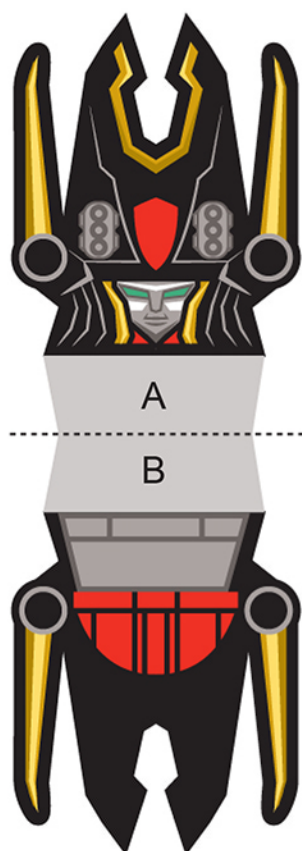

MEGAZORD

13. Attach the Legs to the sides of the Body by gluing Tab P of the Right Leg to the underside of 16, to approximately the center right side of the Body. Continue with the Left Leg by gluing Tab Q to the underside of 17, to approximately the center left-side of the Body.
14. Finish the rest of the Megazord by attaching the Wings' slit through the slits on the Shoulders.
